

# Fuel Oil Viscosity Controllers

**yasec** YAMASHINA SEIKI CO., LTD.

<http://www.yasec.co.jp/en/index.html>

## Fuel Pilot

Supply fuel oil is changed over, with simple switch operation, at a preset blend ratio, ranging from H.F.O. 100% to M.G.O. 100%, so as to heat or cool the main engine F.O. heater at a preset temperature gradient (2°C/min).
