Model : TF-900

The World's No.1 Share Gyro Compass

No.1

Global Market Share
Gyro Compass

TG-8100 (Mechanical Gyro) · TF-900 (Fiber Optic Gyro)

PRODUCT OVERVIEW

Gyro Compass is Tokyo Keiki's flagship product and holds the No.1 global market share. Not only installed in commercial ships, but also fishing boats worldwide. The Fiber Optic Gyro Compass (TF-900), originally developed for naval vessels, has been re-engineered to meet the specific requirements of fishing boats and commercial ships.
